El Roble Intermediate

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2007-08)

This section provides information about the school, its programs and its goals.

The El Roble team is dedicated to developing the whole child by providing a safe and positive learning environment based on mutual trust and respect. Our engaging academic instruction adapts to an evolving society providing the skills and connections necessary to be confident and successful.

To truly make a connection with every student, so that we can better meet their needs to maximize learning, the El Roble team will:

- * Build on and solidify prior knowledge
- * Provide well-rounded opportunities for social, physical, mental, and emotional development
- * Understand and appreciate the middle school student
- * Collaborate as professionals
- * Meet high levels of achievement through differentiated instruction
- * Develop tolerance and respect for others
- * Develop a sense of intrinsic motivation for achievement
- * Foster responsibility, work ethic, self-concept, and teamwork
- * Facilitate exploration and creativity in academics
- * Foster a technologically literate and functional learning community
- * Facilitate the development of effective communicators

We firmly believe that all students are able to learn.

El Roble Intermediate School is centrally located at 665 N. Mountain Avenue at the intersection of Harrison and Mountain avenues in Claremont. The instructional day begins at 8:05 a.m. and ends at 2:15 p.m. Our office hours are from 7:30 a.m. until 4:00 p.m. daily. Parents are invited to arrange appointments or call in student absences by calling (909) 398-0343. An attendance line and homework hotline are available twenty-four hours a day. In addition, parents can sign up (free) for Parent Connect - an online grade, attendance, and assessment program.

El Roble is the sole intermediate school in Claremont and services seven feeder elementary schools. Approximately 1153 students attend El Roble. The following demographics represent our student population: 10.85% Asian, 7.32% Black, 2.12% Filipino, 28.92% Hispanic, 42.86% White, and 7.93% other.

Our school involves the community by expanding the walls of the classroom through parent and community involvement. Several groups support our students and curriculum. The School Site Council and PFA are our primary parent support groups.

Our School Site Council, comprised of teachers, parents, and students, oversees the development of the school plan. School Improvement funds are used to support the school curriculum. SIP funds are used to purchase instructional materials, employ consultants, and to pay for extra-task stipends for staff.

The PFA promotes the well being of the youth in the school, home and community, raises funds to enhance school programs, and promotes communication between home and school. The combination of parents and staff meets monthly to discuss student-centered activities on our campus. Their efforts have led to the purchase of technology needs, library books, and other needed materials for our school.

The Claremont Colleges, the Kravis Institute, TRACKS, the Claremont Rotary, and the American Red Cross are some of the organizations that contribute resources that in turn enhance our curriculum. Each organization is to be commended for its efforts.

The Claremont Colleges offer free after-school tutoring for our students. The Kravis Leadership Institute offers weekly leadership training and mentoring for a select group of students. Claremont Unified School District and the City of Claremont joined together to create athletic, dramatic, and cultural experiences for our students in a program called TRACKS. The Claremont Rotary Club volunteers take 500 students through the techniques of correct CPR training. Our Claremont Red Cross provides volunteers to support our annual bike marathon and have raised over \$100,000 over the course of 29 years as a result of the bike marathon.

We value our community members active participation in the education of our students. Our staff continues to explore partnerships with various community and business entities. We welcome other perspective partners to join in the process of educating our students.

III. School Climate

School Safety Plan (School Year 2007-08)

This section provides information about the school's comprehensive safety plan.

El Roble is extremely sensitive to the need to have a well prepared staff and student body in the event of a major disaster. As such, the school site safety coordinator, Nancy Gablier, continuously works to maintain a high level of preparedness in terms of both staff readiness and replenishment of necessary supplies. El Roble has monthly fire drills and at least 3-4 EQ/disaster drills each year that include evacuation of classrooms and grouping of staff to assigned disaster roles.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

IV. School Facilities

School Facility Conditions

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Planned Improvement

El Roble School was built in 1956 and has 42 teaching stations plus a multipurpose room, library, gymnasium, pool, and office. To accommodate the increased enrollment, eleven portables have been added to the site.

The District maintenance staff and site custodians maintain the campus and buildings. To maintain a safe and healthy environment all custodians and maintenance staff receive training in general maintenance procedures, handling hazardous materials, safety procedures, playground equipment safety checks, and work safety issues.

Students and staff participate in regularly scheduled fire and disaster training drills. The District provides each site with an Emergency Preparedness Plan and Operations Manual. In turn, each site has developed a specific Emergency Plan that is in compliance with California Government Code 8607, California Standardized Emergency Management System (SEMS), and California Education Code, Section 35295. The plans were developed in cooperation with state, county, and city officials and include specific courses of action to be taken in case of an emergency. All of the schools meet Field Act requirements. Each school has developed a safety plan. This can be found at each school office as part of their Comprehensive School Improvement Plan.

To adequately maintain the schools, the District has developed a five year deferred maintenance plan for repairing and maintaining all sites. The plan includes major repairs such as roof replacement, carpet replacement and asphalt replacement. All sites are on a rotation plan for repainting.

VII. Curriculum and Instructional Materials

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2008-09)

Textbook Information

This section provides information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

El Roble Intermediate School has most recently adopted math textbooks to fulfill the requirement to adopt math during the 2007-2008 school year. The textbooks will be purchased and in use beginning during the 2008-09 school year. The school has been able to adopt textbooks within the guidelines of state and as such will be preparing to begin the English Language Arts adoption cycle in the 2008-09 school year to be purchased for the 2009-2010 school year. All students (including English Learners) receive a copy of each of the required textbooks.

When the district begins the adoption process, the district identifies a representative sample of teachers, administrators, and parents to review the standards, create selection criteria, and evaluate the textbook samples provided by the publishers. In addition, the community as a whole and each teacher within the district is invited to come to the district office to review the textbooks and to provide feedback to the Education Services department. Once all input has been compiled, a final decision is reached and the name of the publisher is put forward to the Board of Education for final approval.

This section provides information if any insufficiency exists, and the reason that each pupil does not have sufficient textbooks or instructional materials.

Types of Services Funded (Fiscal Year 2007-08)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

Claremont Unified School District currently spends approximately 71% of its general operating budget directly in the classroom. This includes funds expended for teachers, instructional assistants, books, materials, supplies and equipment.

Another 20% of the operating budget is made up of direct support to the classroom including expenditures for principals, site staff, student support staff, curriculum support, maintenance of school buildings, and grounds maintenance.

In addition, El Roble receives funding from our Parent Faculty Association (PFA), Claremont Education Foundation (CEF), Title I funding for students participating in the National Lunch Recovery Program, and Title III for English Language Learner Students.

The remainder of the operating budget is expended for the Board of Education, the Superintendent, and District and Central Support Departments.

Teacher and Administrative Salaries (Fiscal Year 2006-07)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

IX. Student Performance

California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades 2 through 11; science in grades 5, 8, and 9 through 11; and history-social science in grades 8, and 10 through 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found on the Standardized Testing and Reporting (STAR) Results Web page at <http://star.cde.ca.gov>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page <http://www.cde.ca.gov/ta/ac/ay/>.

Professional Development

This section provides information on how teachers and staff are trained for instructional improvement.

Claremont Unified School District offers the El Roble Intermediate School staff the opportunity to participate in teacher-selected staff development classes. These professional development classes are both given by fellow CUSD staff and outside experts in the areas requested. The CUSD staff is offered monetary compensation for any CUSD-sponsored professional development that they attend as specified in the CFA and CSEA contract.

Professional Development Days

This table displays information on the annual number of school days dedicated to staff development for the most recent three-year period.
